Serving all of Humboldt County California and seated in Eureka, the Humboldt Amateur Radio Club is the original ham club in our area, joining the ARRL in 1951. Our club is a traditional, active, and progressive collection of radio amateurs young and old, new, and seasoned, who practice the art and science of Amateur Radio. At HARC, we welcome all who are interested in amateur radio, including those who are currently licensed and those who are not yet licensed.

HARC provides communications for events such as the Redwood Marathons, Tour of the Unknown Coast, Trucker's Parade, the Kinetic Grand Championship and many more. Some of these events are in areas where normal radio reception is challenging and cell phone service is unreliable. We are more than happy to assist the organizers of these events to help keep the participants as safe as possible.

I would like to join the Humboldt Amateur Radio Club Yearly Membership
Make Checks Payable to HARC - PO Box 5251, Eureka, CA 95502
